

WHAT OUR DIVERS ARE SAYING ----- Part 4

Thank you so much for making me learn, “ I can do it”. Taking the time with me. Showing me the underwater world you love soooooo much. Sharing your passion with me. I loved watching you and experiencing your life. You have it.

----- Monica Donohoe-Sydney, Australia

Thoroughly enjoyed you and your team -- great dives, great company & loads of laughter -- the best combination of everything! Love to spend a hell of a lot more time here!!

----- Nada Krstin-Kambah, Australia

After all these years, an experience diving with Lisa and her crew was entirely special and wonderful. Lisa and her village friends are enough to make me feel good about life and humanity. An epiphany in my life.

----- Stan Waterman- Lawrenceville, New Jersey, USA

What a wonderful surprise! This little known jewel is worth the effort it took to get here. I bet we will return. The staff and entire village were charming.

----- Tim Blanton- Brick Bay, Roatan, Honduras

Great to find a fellow “dark chocolate lover”. I will try to get some Ghirardelli’s to you. Had a great experience visiting your island.

----- Barb Blanton- Brick Bay, Roatan, Honduras

It was awesome! My first dive helped me to work out how to do things. We saw a small turtle, but it swam away quickly.

----- Caleb Woods (age 10)- Honiara, Solomon Islands

The divemasters were great-their skill and passion transformed the dive. The joy in Caleb’s voice when he surfaced and yelled out “ It was awesome” was wonderful.

----- Steven & Carolyn Woods-Honiara, Solomon Islands.

No words to describe it. Couldn’t have picked better company to propose with. Thank you all for making it magical. Such beauty and peace- I’m insanely jealous! Thank you so much for inviting us into your lives.

----- Buddy Willard- London, United Kingdom

Huge thank you to Lisa and her fantastic dive masters for teaching me about all things SCUBA and for helping me to get PADI certified. It has been amazing and so much fun. What a fantastic group of people you are!

Thank you for letting us stay at Vuana- it will be the highlight of our trip and we’ll have so many happy memories to take back to London. Big thank you Reliance and her team for the delicious food and the proposal flowers. Beautiful!

----- Zoey Gregson-London, United Kingdom.

I had the most fantastic and informative dives with Lisa and her team. I’ll be back in a little while for more of the same, but in the meantime the stories of everything I have seen will get bigger and bigger! The best diving I have done!” David Lawrence

----- Newtown, NSW, Australia

Very good! Top dive spot. Great divemasters and boatman. Loved the fishing between dives. Hope to return.

----- Brian Mackie-Auckland, New Zealand

Awesome diving! Loved the big pelagic action and activity encountered on all dives. Great flexibility to cater to our needs. Look forward to returning some day in the future. Thanks very much.

----- Rob Mackie- Auckland, New Zealand

A magnificent dive- spectacular coral and a huge range of fish, etc. I appreciated very much having so many creatures and corals identified. Many thanks and congratulations on the fine work you are doing.

----- Tim George- Honiara, Solomon Islands

No diving (yet!) for us, but a beautiful snorkel with Bryan. Many, many thanks.

----- Dianne and Bill Nellson- Honiara, Solomon Islands.

Probably two of the best dives we have ever done! So much to see and very well guided by "the boys". A very beautiful spot and an inspiration to see what is happening in and around the village. Thank you and good luck!

----- James Barr and Rose Mellor- London, United Kingdom

Thank you so much, Lisa and crew! We had dives "beyond our wildest dreams"! You guys are so patient with our crazy family. We wish we could stay longer, but will take many wonderful memories as we leave.

----- Laura and Jeremy Denham—Redlands, California, USA

What a once-in-a-lifetime experience! One we will never forget. Your crew was so helpful. We enjoyed getting to know your guys. Thanks for all the great dives. We will miss you all. Lisa, continue to live your dream- what a place to live!
